Education Databases

To search across many educational journal publications at once, try one of the library’s Education Databases:

**CBCA Education**
Canadian information in education. A source for those interested in teaching, educational research, and educational administration in Canada.

**ERIC**
The Educational Resource Information Centre provides access to literature and resources related to the fields of education, teaching and learning.

**Educators Collection**
A collection of journals compiled specifically with educators in mind.

**Educator’s Reference Complete**
Included content focuses on educational principles, child development and psychology, and best practices in education.

**Professional Development Collection**
Designed for professional educators, this database provides a highly specialized collection of 520 high quality education journals, including nearly 350 peer-reviewed titles.
