# Course Add/Drop or Audit

RO423 08/2014

- Students in a full-time program wishing to add, drop or audit a course within their program are required to complete this form. Faculty's approval does not guarantee space or registration in the course.
- Extra course fees will apply for additional courses (above the normal course load for the session). The payment of fees by cheque or credit card is required at the time of registration.
- If you are not currently registered in a program or wish to take a course that is not part of your program, you must register through Part-time Studies at the Registrar's Office.
